COMMUNITY SPOTLIGHT

LEAPS opened doors through partnership

On August 5, the Landlord Engagement & Property Services (LEAPS) team hosted an event focused on strengthening connections among landlords, housing professionals and community partners.

Participants shared housing resources, learned about landlord engagement opportunities and incentives, and built partnerships that support successful housing placements.

Building bridges to better living.

Thank you to everyone who joined the event and continues to support the work of opening doors and building stronger communities.

Housing resources

Landlord incentives

Community partnerships

Frontline staff connected with community experts

The Frontline Learning Collaborative brought together shelter workers, outreach workers, housing case managers, intake workers and other staff who regularly support individuals and families experiencing a housing crisis.

The September session featured presentations from SilverSummit Healthplan and the Legal Aid Center of Southern Nevada, giving participants new information to carry into their day-to-day work.

Frontline voices matter. Staff are encouraged to take part, share their expertise and strengthen the network of support across the community.

SERVICES IN THE COMMUNITY

Project Homeless Connect met people where they were

Throughout September, the Nevada Homeless Alliance hosted four On-Site Project Homeless Connect events across Las Vegas, bringing free, essential services directly into the community.

Identification and birth certificate appointments

Behavioral and mental health support

Benefits assistance and housing assessments

Medical insurance and services

Employment and education resources

Family and veteran services

STI testing and vision screening

Hygiene kits and giveaways

Family Support Center
1720 S. Maryland Pkwy.

Sept. 23 - Clark County Library
5175 E. Tropicana Ave.

The September series was supported by Caesars Entertainment and community partners.

Viva Cultura celebrated heritage, joy and connection

On September 16, the first annual Viva Cultura event brought the community together at the Cambridge Recreation Center to celebrate Latin culture, heritage and history.

The gathering honored traditions, uplifted community and celebrated the strength found in coming together. Guests enjoyed traditional botanas, snacks and sweet treats, along with live entertainment for all.

A vibrant celebration of culture, tradition and community.
