

SOUTHERN NEVADA HOMELESSNESS CONTINUUM OF CARE COMMITTEE & COC BOARD SUMMARY – SEPTEMBER 2026

Continuum of Care (CoC) Board	Last Meeting: 09/23/2026
Decisions within past month + Rationale - o The Collaborative Applicant provided an update on the FY26 NOFO and project priority list - o The Board was informed that funding previously awarded to The Cupcake Girls could no longer be included in the local competition because the program had dissolved. As a result, the community's Annual Renewal Demand (ARD) will decrease by approximately \$140,000. HUD identified a potential process for recovering the funding for the community; however, the process cannot be completed during the current local competition and is not guaranteed. - o The Board reviewed the priority list for the 2026 NOFO. - o The Board voted to approve the priority list and authorize the collaborative applicant to submit the application on behalf of the Continuum of Care. - o The HMIS Steering Committee provided an overview of the 2026 Point-in-Time (PIT) Count data and its role in understanding homelessness in Southern Nevada. - o Keishmer Cardoso, CCSS, presented the 2027 PIT methodology to the Board for approval - o The proposed 2027 PIT Count methodology was presented to the Board for formal approval.	
Other significant actions or focus areas: • The Board voted via email to approve the 2027 PIT Count methodology.
