

Hayley Jarolimek

Hayley Jarolimek serves as the Director of Community & Neighborhood Programs for the City of Henderson. Hayley currently oversees a diverse team dedicated to addressing complex community challenges, including attainable housing, homelessness, healthcare, behavioral health, and social services. A licensed social worker with over 26 years of experience, she has supported expanded access to resources and funding, led the city's first social services needs assessment and launched the city's Crisis Response Team staffed by licensed mental health clinicians who respond to 911 calls for adults experiencing behavioral health crises
